

- Annual Committee Report- Those were handed out. Please look over the ! and return the ! next week.
- Senate Collage- Last year we did a 'knot of our ties' where we tied a knot for every event we did and recorded that way. This year we are doing a collage. Every event that we do as a group we will post on a board with a little bit about that event.

Council Report

- Advertising & Appearances- Led by Senator Butler. This past week " was finally able to meet with advisor. He is a great person and is open to my ideas. Because both Ryan and " are new to this committee this Wednesday we will meet with Ryan to talk about business. Unfortunately, Senator Butler will not be able to make it but " will keep him informed. He will most definitely be meeting Ryan every soon. Last week " had mentioned to you guys that you should let me know of any upcoming events in your committee so that " can post it on the calendar so please keep that in mind. My email address is rlowe@B.eagle@ail.csi.edu. Also it would be awesome if " could get all of your bios soon. " had an awesome time at the retreat this weekend and the best this is that it was not real cause I slept above the ground this time. Those of you who went on the retreat last year know what " was talking about. " really did have a great time with you all.

- "11 Campus Center & Shield (- Last week was successful+ 1 e had our taco night at Hailey+

? 1 e had a terrific taco night last night with a taco truck selling half & rice 0J\$2 tacos right outside the C, " Blaine County Center+ 1 e got lots of positive feedback+ Eali did an excellent job of organizing this event+

) 3) tacos were sold so C, " & aid J) -) to cover the other half of the taco cost+ " covered this expense with a personal check and ha/e sent the request for pay! ent #ro! to your attention in the student senate+ "d appreciate you watching and sending it through as quickly as possible so " can be reimbursed+

Also we're hoping that the student senate can provide more funds so that we can have at least one more student event this fall term! + A J4(allowance does not go /ery far in providing events that want to include \$(L students each time+ F Lenny
