Council Report

- **Advertisement**
This last week was pretty dedicated to the February edition of the Toilet paper, which you and I are really excited about how it is turning out. It should definitely be completely finished by either today (Monday) or tomorrow (Tuesday). We've spent a lot of time on it, so please be sure to honour that by putting it up in all of the stalls of the restrooms in your buildings. That would be awesome. Then, last Friday the advertising committee also got together for Change / Children, and we began to make flyers and posters for the Talent show. Please spread the word in your classes and such that tryouts are March 4th, 5:55p - 7:55p.
- **Ambassador**
Old business
We have new ambassadors and the beginning of a meeting we welcomed the new ambassadors and introduced them to our mission statement and our goals. This was a chance for us to re-visit our goals and see if we met the last semester. So the things we decided to improve on are:
Be more committed = by showing up to events we sign up for
Maintain a good relationship with senators- invite senate liaison more often
Set a good example both in school and in the community
(Get on top of your game with school work)
People signed up to help at the Asian Student Organization (ASO) or the Luna 2ew >ear. This is a chance for us to show our commitment.
New business
Meeting we are going to elect a new secretary and people for the birthday committee.
