o

(Planning to have a booth at the fair and advertise for sustainable council)

- Treasurer's report
 - o All of the budgets are set and the website is updated

Old Business

- Office Hours
 - o Our schedules need to include our office hours on them
 - Senators need to do 6 hours and executive council needs to do 4 hours
- Retreat
 - o September 11th and 12th and we are leaving at noon! The retreat is not required but strongly encouraged! Make sure that you get these dates off your calendar

New Business

- Building assignments
 - o Calendars need to be updated
 - o Posters and flyers need to be hung up
 - o The Toilet Paper needs to be hung up in bathroom stalls
- Freshman Elections
 - o Applications are due on September 2nd at 3:00PM! Make an announcement in your classes to let the freshman know that elections are coming up (elections are going to take place the 10th) Senators need to make posters for freshman elections and track and make it creative! There will also be a table down stairs in the SNB
- Initiative aggregator
 - o Senator Hernandez modeled to help organize the peer review event (proposed initiative aggregator) The issues that were discussed were the money reform! This is a good cause because not only can we help initiative but we can help the entire community and Jerome High School, and peer review is a very good motivational strategy raising the funds for initiative, and peer review event was passed
- Election Committee
 - o We have an election reform! it is important to have an election committee. If you are interested please let President Haggan know
- President Pro-Tem (Core)

ASCSI STUDENT SENATE Fall 2010

- o The President (to whom the issue is submitted) after the meetings i/ President Haggan and Vice President Butler were unable to attend. Be thinking of who you think would do a good job!
- Booth Business Fair \$ " / 7 € + 4 /

- Sa'id "dullae)
 - o He went to a South leadership conference! He went to 9e+ @or# Nni) ersit\$ 9e+ @or#2 and Vermont! The conference is to share our vision2 and Sa'id shared his plan for sustainability! The help led him to make a letter plan2 and he was able to apply for a scholarship that can potentially help to make our vision come true!
- Individual Meetings:
 - o President Haggan would like to visit with all senators to see how office hours and councils are going! She wants to touch base once a week on either Monday or Tuesday! Half of the senators will meet with Vice President Suberg and half will meet with President Haggan!

Effective Reports

- Vice President's report:
 - o It feels great to be back and see everyone2 and I am so glad to see everyone's nametags and place holders! I went ahead and made the Toilet Paper this week2 since we don't have an advertising committee! One of our duties is to place the toilet paper in our assigned buildings in the bathroom stalls and above the urinals! I found a 3rd building no...

streamers and balloons if you are able to stand! assure to advertise freshman elections the best candidates out there. We want more than ten (people) running and announcing that in your classes is held to announce 50151 activities in class all together: clean and professional. You guys need to bring your binders to all meetings. No, you all have goals in your head for this year so don't let your eyes on those goals. If you get behind now it is going to be hard to get caught up later. After this meeting we are going to make posters for 50151 and freshman elections.

- "disorders" report:
 - o . recalled the President and Vice Presidents reports. Samra is a graduate at CS. and she is now in a high position that includes new student services and multicultural students. The multicultural students office has moved into the student activities office. We are thrilled to have Samra on board with us. Samra not only has the right skills on (paper) but she is spiritually the right person for this job because of her passion for working with diverse students. The students activities room is being converted to a student leadership room and if you have any ideas we would love to hear about them. We want to have a conference table with electronic monitors built in and President Bec wants to help us develop this C5. +as do+ here visiting a few +e's ago and they are the fastest growing community college out there. Their , can brought down a copy of their constitution and it compares models ours. They are really appreciative of everything that we do and they want to continue the C5. and CS. relationship. The freshman elections are really important and we need to make an effort to get a lot of (people) to run and in return we will have more voters. It is important to update our calendars every month because it doesn't look good when the calendars are wrong. We need to compliment President Haggan and Vice President Butler for everything they have been working on. Vice President Butler did an excellent job of presenting the Senate's gift of P102000 to the board of trustees. President Haggan and other senators got involved with raising scholarship with a
